BOB'S MESSAGE

We appreciate sponsor support and hope that our readers will take a moment to visit "Selected Resources," "Sponsors Page" and "Quote of the Month" at the end of this newsletter.

Please contact btyra2.0@gmail.com if your organization would like to become a sponsor of this newsletter. All sponsors receive enhanced conference ads as well as inclusion in our "Selected Resources" section for one year.

Sincerely,

Bob Tyra

Career & College ClubsSM is a free, two-year program for 7th and 8th grade students designed to help them succeed in life after high school. Topics include postsecondary education, career exploration, leadership development, and financial literacy. The program includes a curriculum, training, and ongoing support for site staff. <http://www.careerandcollegeclubs.org>

**Career &
College ClubsSM**

Universal Technical Institute, industry's choice for transportation technician training, has two campuses in Rancho Cucamonga and Sacramento ideal for hosting professional development activities, board meetings, and student STEM field trips. Admissions representatives are available to provide academic and transportation-specific workshops for your juniors and seniors. Contact Jan Tkaczyk at jtkaczyk@uti.edu

The **California Association of School Counselors** is the premier association for school counselors in California. Chartered by the American School Counselor Association, members benefit from local, state and national advocacy, up-to-date news, discounted liability insurance, member-only resources, discounts on publications, seminars, interactive workshops, conferences and more. <http://www.schoolcounselor-ca.org>

CollegeOnTrackTM is a web-based college planning system build around student-teacher-parent teams. Students develop rich Digital Portfolios that they can share with universities. CollegeOnTrack finds colleges, rates student admission chances, gathers deadlines and essay topics, and supports essay feedback online. Management modules keep the team on target and provide success metrics for schools and counselors. <http://www.collegeontrack.com>

New Self-Discovery Program for Middle School Students

Roadtrip Nation Education has an innovative self-discovery program for sixth-through eighth-grade students, which encourage them to explore different life pathways, engage in self-reflection, and collaborate with peers. The program guides students through **7 online lessons** and a **Virtual Roadtrip Project**. To adopt the program, or learn about other programs and pricing, visit <http://www.roadtripnation.org/programs>
